"What you're looking for is HERE!"

Dear Community Partner,

Fresh Anointing City of Refuge (FACOR) is a servant-based, non-profit 501(c)(3) organization. For 24 years, we have been committed to sharing God's love through action by supporting those in need, encouraging wholeness, and building a stronger, caring community. Guided by our faith, we will host the E.R.A. Conference 2026 (E: Engage, R: Reset, A: Advance) at the Silver Spring Civic Center in Silver Spring, MD on April 25th, 2026.

E.R.A. invites attendees to engage, reset, and advance toward spiritual growth, mental resilience, physical health, and financial stability. Through education and practical tools, this conference will empower participants to identify strategies they can immediately apply in their lives. This will help address community needs, including closing the wealth gap and increasing access to health and wellness resources. We would love to invite your business to partner with us as a sponsor. Your financial support will play a meaningful role and will directly contribute to event programming, professional facilitators, advertising, and E.R.A. outreach endeavors.

Partnering with us is a simple yet powerful way to increase visibility, strengthen community relationships, and demonstrate your investment in the people you serve. We are pleased to offer a range of sponsorship levels designed to align with varying giving capacities and impact goals. Attached you will find our sponsorship tier package. Each level reflects a specific way your generosity can support our mission and directly impact lives. Your tax-deductible donation may be submitted at www.facor.org/giving-links or via the QR code on the next page. Kindly respond to our request by March 9th, 2026 via email, phone, or mail. Thank you for considering this partnership opportunity.

With Gratitude,

E.R.A. Outreach Committee
